### CETC USF FUNDS DISPURSEMENT AFFIDAVIT

Funding Year October 2011 to September 2012

Proprietary and Confidential

Missouri RSA No. 5 Partnership, d/b/a Chariton Valley Wireless Services (CVW) serves the North Central part of the State. Linn, Macon, Chariton, Randolph and Shelby Counties are served with 5,714 access lines as of May 31, 2012 in competition with the incumbent local exchange carriers of Chariton Valley Telephone, Windstream Missouri, Inc., Grand River Mutual Telephone Corporation, Mark Twain Rural Telephone Company, Spectra Communications Group, LLC d/b/a Century Tel, and Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri. CVW has experienced a slight increase in access lines from last year. The primary driver for this is deployment of High Speed Wireless Internet.

CVW attests that federal high-cost support has been used consistent with the Commission's rules and the Telecommunications Act of 1996.

CVW's funding will be used to improved coverage, service quality and capacity in the Missouri RSA-5. The support will be used in addition to any expenses that CVW would normally incur. Please see Attachment B showing affected wire centers.

CVW provides and will continue to provide quality services at just, reasonable, and affordable rates. CVW will also continue to offer a local usage plan comparable to that offered by the local exchange telecommunications carrier in the ETC service area. In addition, customers have access to advanced telecommunications and information services in all regions in Missouri, both rural and urban, as well as nationally.

CVW complies and continues to comply with the approved Consumer Code of Wireless Service recognized by the Cellular Telecommunications and Internet Association (CTIA). CVW continues to acknowledge that it shall provide equal access pursuant to CSR 240-32.100(3) and (4) if all other ETCs in that service area relinquishes their designation pursuant to section 214(e)(3) of the Telecommunications Act of 1996.

CVW attests that the costs incurred and/or estimated budget/investment amounts were no greater than necessary to provide consumers in CVW's service area access to telecommunications and information services that are reasonably comparable to those services provided in urban areas. CVW continues to function in emergency situations by providing a minimum of 8 hours of battery back up at each location. CVW has added generators to all new sites to avoid service outages during commercial power failure. CVW has access to two 50kw portable trailer generators.

## ETC Service Plan

### Lifeline One - \$15.00\*

- Standard feature phone with ability for customers to originate and terminate calls within the local calling area without incurring toll charges
- Unlimited Airtime (inbound and outbound calling) in your local service area
- Toll can be restricted
- Roaming is not allowed
- Activation fee \$30.00
- 911 calling available in Chariton Valley wireless coverage area or other technology compatible service provider

\*The monthly rate is prior to the credit of the \$6.50 federal line charge and \$1.75 local service exchange discount.

All ETC plans meet the voice grade, local usage, functional equivalent of Touch Tone (DTMF) signaling and single party requirements. Access to Emergency service is available with 911 calling. Chariton Valley is E-911 Phase I compliant and in process with E-911 Phase II compliance. Customers have access to operator services, inter-exchange services and directory assistance.

You can afford wireless service and Chariton Valley Wireless can show you how. Federal & State lawmakers believe that every American should have access to quality, affordable telecommunications service. Lifeline Assistance and Link-Up Missouri customers must meet certain qualifications to participate. Below are the programs that qualify:

- Medicaid
- Food Stamps
- Supplemental Security Income (SSI)
- Federal Public Housing Assistance or Section 8
- Low Income Home Energy Assistance Program (LIHEAP)
- Temporary Assistance for Needy Families (TANF)
- National School 'Free Lunch' Program

This universal support includes:

- Lifeline assistance which provides discounts for basic monthly service
- Lifeline is available on one telephone service per household, wireline or wireless
- Link-Up Missouri which reduces the cost of initiating new service
- Toll limitation service that allows you to control your long-distance charges

Please distribute and/or display the attached information in your office to help eligible participants. If you need additional brochures or fliers please contact Ryan Johnson at 660-395-9000 or [rjohnson@charitonvalley.com](mailto:rjohnson@charitonvalley.com). Those wishing to apply for these programs may contact any Chariton Valley office listed below.

Thanks

### Low Income Wireless Telephone Assistance Programs

*Chariton  
Valley is your  
"Lifeline"  
to reliable  
phone service  
at a  
discounted  
price!*

### **What is Lifeline and Link-Up?**

**Lifeline** assistance provides discounts for monthly basic service. Lifeline is available on one telephone service per household, whether wireline or wireless.

**Link-Up** reduces the cost of initiating new service.

### **How much can I save on my wireless phone bill?**

CVWS offers two Lifeline Plan options, Lifeline One is a \$15.00 plan and Lifeline Two is a \$20.00 plan. These rates are prior to a credit of \$8.25 from the federal line and local service exchange discount.

### **Who is eligible for the Lifeline and Link-Up assistance? You're eligible if you participate in any of the following programs:**

- Medicaid
- Food Stamps
- Supplemental Security Income (SSI)
- Federal Public Housing Assistance or Section 8
- Low Income Home Energy

Assistance Program (LIHEAP)

- Temporary Assistance for Needy Families (TANF)
- National School 'Free Lunch' Program

### **Are there any restrictions?**

Lifeline can be used for one telephone per household-either wireless or wireline. You must provide proof of eligibility before the service can be activated.

### **All about Link-Up**

Link-Up helps households pay the activation charge for telephone service. This program pays some of the cost of installing local service in your home, but does not cover the cost of a phone.

### **How much will I save using Link-Up?**

Link-Up will pay 50% of your activation charges of \$50.00.

### **How do I know if I am eligible?**

If you qualify for Lifeline, you also qualify for Link-Up.

### **Are there any restrictions?**

The Link-Up discount cannot be applied to activation charges you incurred before you applied to the program.

### **How do I apply for Lifeline and Link-Up benefits?**

Applications are available at your local wireless office.

### **When does the discount end?**

When you no longer receive benefits from any of the programs that made you eligible for the Lifeline Program.

### **What do I do when my current situation changes?**

Notify your local wireless office immediately and inform them of the changes to determine if you are still eligible.

*\*Being a Lifeline or Link-Up customer does not protect you from being disconnected if you fail to pay your telephone bill. Normal collection practices apply.*

## *Lifeline Two Wireless Plan*

**\$20.00\*/month**

Standard phone usage with ability for customers to make and receive calls within the local calling area without incurring charges.

Unlimited airtime (inbound and outbound calling) in the Chariton Valley area.

Toll is restricted to numbers within Chariton Valley's service area.

Roaming is not allowed.

Activation fee reduced to \$25.00.

911 calling is available in all areas where technology compatible service is available.

\*This rate is prior to the credit of \$8.25 from the federal line and local service exchange discount.

**not yours.**

1. The following information is being furnished to you for your information only. It is not intended to constitute an offer of insurance or any other financial product. The information is being furnished to you for your information only. It is not intended to constitute an offer of insurance or any other financial product.

As a result, the average 1994 income tax return for the 100 largest corporations had 100 separate items that had to be checked for accuracy. The IRS had to be able to check each item, and that meant changes in the way the IRS conducted its work. The IRS is now able to do that.
